Hilton Garden Inn Detroit/Novi – 27355 Cabaret Dr, Novi, MI 48377

Training Description:

‘The Physician and Nurse Practitioner’s Approach to ACT’ meets the Medicaid requirements for ‘MDHHS approved ACT specific training’ and is specifically for Physicians and Nurse Practitioners involved with ACT teams. This training is led by ACT Psychiatrist, Dr. Abdul Hafeez, whose practice includes Lincoln Behavioral Health ACT teams. Dr. Hafeez has worked with Assertive Community Treatment teams and consumers since the 1990s.

(Physicians and Nurse Practitioners may alternately attend ‘ACT 101’ intended for all ACT Staff or the online ‘ACT for Physicians and Nurse Practitioners’ on improvingmypractices.org.)

Training Purpose:

This statewide offering, ‘The Physician and Nurse Practitioner’s Approach to ACT’, provides information, invites discussion and offers opportunities for psychiatrists and nurse practitioners to enhance understanding and implementation of the Assertive Community Treatment model as practiced in Michigan.

Seminar Includes:

1. ACT Overview
2. Physician/Nurse Practitioner roles and relationship to the ACT team
3. ACT in Medicaid, the Field Guide and fidelity standards
4. Discussion

Who Should Attend: Intended for Physicians and Nurse Practitioners involved with ACT.
