Anne Agar-Krill, RN, MSN

Friday, May 19, 2017

Registration: 8:30am

Training: 9:00am - 4:00pm

Comfort Inn & Conference Center, Mt. Pleasant

Training Description:

ACT RNs will participate in interactive discussions, sharing experiences, reviewing observations, best practice treatment development and conclusions throughout a PowerPoint presentation lead by a Master's ACT nurse.

Training Purpose:

To address the multiple roles and responsibilities of the ACT Team Nurse including direct service, medications management, doctor-team liaison, and integration of the ACT RN into the team and community setting.

Learning Objectives:

Upon completion of this training participants will be able to:

1. Describe the required education, experience along with competencies of an Assertive Community Treatment nurse;
2. Describe the primary duties and responsibilities of the ACT Nurse;
3. Identify the primary physical health issues common to people who are diagnosed with a serious mental illness; and
4. List three key steps in teaching other ACT staff and people receiving ACT services about the disorders.

Who Should Attend: While this training is most beneficial to ACT RNS with one to two years of experience, “The Role of the ACT Nurse” contains content specific to all experience levels of Assertive Community Treatment team registered nurses; it is also appropriate for Nurse Practitioners working with and on ACT teams.
